729 N Stewart Ave  
Fremont, MI 49412

ppladziejewicz@gmail.com

(312) 608-7526

## Skills

### HTML, CSS (Bootstrap, TailwindCSS), JavaScript

Professionally built components and interactivity, including: custom layouts, menus, forms, sliders, and dropdowns. Comfortable working with modern CSS Frameworks.

### PHP, WordPress

Excellent at creating custom templates that fit the users' needs utilizing the WordPress platform. Websites are developed to help users easily add content in a reliable way: custom posts, custom fields, plugins.

### ReactJS, GatsbyJS

Proficient creating reusable, functional components, which join to make a complex user-interface. Ready to develop components that receive data through props, values from users, and adapt with state.

### MySQL, MongoDB

Capable of integrating databases with create, read, update, and delete functionality.

## Experience

### Web Developer - Intern

12/2020 - Present

Lucas Howard Group - Grand Rapids, MI

Complete redesign and development of their current web presence, which includes working with APIs. The website will be built utilizing WordPress, which will be customized with: HTML, CSS, & JavaScript, PHP.

### Web Developer

11/2018 - Present

Bracket Network (Self-Employed) - Fremont, MI

Completed custom web projects for the specific needs of small business owners utilizing HTML, CSS, JavaScript, PHP, and Wordpress.

### Customer Support Representative

01/2018 - Present

Kelly Services at Pratt & Whitney Component Solutions - Muskegon, MI

Lead customer programs under Retrofit, which included: quoting, processing all transactions through SAP, analyzing outstanding orders against inventory and vendor work-in-progress, and reporting KPI's to management. I utilized Microsoft Excel, Dynamics CRM, and Sharepoint to create an attentive customer experience and improve the program efficiency.

## Education

### Master of Business Administration

Cornerstone University  
Grand Rapids, MI  
2015 - 2017

### Bachelor of Science - Fire Science

Lake Superior State University  
Sault Ste. Marie, MI
